Please note, that each e-mail address can be used only once.

Once assigned, we offer the opportunity to transfer a course registration to another staff member for a **service fee of 80 EUR**. To do so, please contact Provascular by e-mail at [registration@leipzig-interventional-course.com](mailto:registration@leipzig-interventional-course.com)

Please purchase all registrations within your company account, complimentary as well as additional registrations. It does not matter who of your staff members receives the complimentary registration as all tickets have the same rights.

All placeholders (like “Barista 1”, “Staff 2” etc.) are not accepted, and will be deleted from the account **OR** charged like normal participants and changed into participants data with a service fee of 80 EUR, at our discretion.

The number of complimentary registrations is stated in your sponsorship agreement and will be added to your company sponsor registration account.

#### 4. Invoice address/Invoicing:

You need to enter your correct invoice address, VAT-ID number (for companies registered in the EU), purchase order number (if required by your company rules/available), **before** you submit the registrations, before we are able to close the order as stated above.

Registrations entered in this account will all be charged to **ONE invoice address only**.
